PROFILE

I am a passionate and driven Grade 12 student at Alfurqan Modern School, with a strong foundation in full-stack web development and graphic design. I have hands-on experience building responsive web applications using modern technologies like React, Node.js, and MongoDB, and I am also proficient in creating visually appealing designs with Adobe Photoshop and Figma.

WORK EXPERIENCE

Self-Employed Junior Full-Stack Developer

2024 - PRESENT

Web Developer

- Web Development: Designed and developed responsive web applications using HTML, CSS, JavaScript, React.js, Node.js, and Express.js, ensuring a seamless user experience across devices.

Self-Employed Graphic Designer

2022- Present

Designer

- Collaborated with clients to create unique brand identities, including logos, color schemes, and typography, ensuring alignment with their vision and market positioning.
